Reference: C00422964, April Quarterly Report (1/24/08 - 3/31/08)

Dear Ms. Hough,

This letter is in response to your request for additional information regarding the above referenced report submitted by the Donna Edwards for Congress Campaign Committee. The notice specifically requests additional information on the following 3 items:

(1) Disclosure of one or more contributions received after the primary election that are designated for the primary. There were several contributions received after the primary election that were designated for the primary and were intended to offset the committee's primary debt. Because we had not reflected our debt position in the April 15th filing, the contributions in question appeared to be designated improperly. The committee actually had \$55K of net debts outstanding. An amended report, which accurately reflects the committee's debt position, was submitted on 5/15/2008.

(2) Possible failure by our committee to file a 48-hour report for a contribution received from the Sierra Club Political Committee after the close of books for the 12-Day Pre-Primary report. The contribution in question was submitted via check dated 2/27/2008 and was received in the campaign office on 2/28/2008, therefore, a 48-hour report was not required. The 2/8/2008 date reflected in the April 15th filing, was a clerical data entry error. An amended report will be forthcoming to correct the date.

(3) Disclosure of identification information for individuals contributing in excess of \$200 in the election cycle. We acknowledge that our April 15th Quarterly Report did not provide occupation and employer information for 38 individuals contributing more than \$200 in the current election cycle. Letters requesting the information have been sent to each of the 38 contributors in question. We will submit this data in subsequent filings as it becomes available.

I hope this offers sufficient explanation for your records. If you have additional questions regarding this matter, please do not hesitate to contact me.

Regards,

Janice Edwards, Treasurer
Donna Edwards for Congress
